“ Apostle Sandra Holland Trotter touched my life way back in 1999 with a prophetic word she gave me at Cracker Barrel on Cedar Creek Road. She had just come off of a 21 day fast and said..."I couldn't eat because God was dealing with me about you..and I am hungry too!" Lolol She was obedient to God then and throughout the years since then! Let's celebrate the life and legacy of this vessel of the most High God!!
