“ Sandra came into me & my families life via Debbie. We immediately became best sister friends. We were Alice, Thelma & Louise. My children calls her Auntie Sandra. Each year they came. Our last time together was for my 65th birthday. We all meet in Jacksonville, Florida. And whenever we got together there was trash talking and plenty of eating... and boy did we eat. We're (my family's gonna miss her.... but you can bet ya last coin.... She'll always be in our spirit. We Love ❤️ you Sandra. Rest well our Angel.... We'll see ya in the morning 🙏😊

“ I am so sorry for your loss. Me Sandra was an amazing person and so sweet and full of love inside and out I am going to miss my Saturday hair partner. It is so unfair that you didn't get to truly enjoy retirement but we cannot question God even when it just hurts.
