“ I cannot express the sadness I am feeling. You touched so many lives, you will be missed by all of us. I have so many happy memories of you and I treasure those wonderful times. That's the way I want to remember you. You will remain in my heart and thoughts forever. I will see you again someday...

“ *My heart hurts so much, Sara Jane. I can't believe I will never be able to see you again. We were trying to see each other for so long, I wish we lived closer. I am having such a hard time believing you are gone, I will miss our middle of the night conversations because of our insomnia. Who will I chat with at 3a.m. now? I love you my beautiful niece, you were my connection to my brother. I felt his presence when I spoke to you, and when we shared our dreams, finding interpretations to see what they meant.*

I will hold you close until I see you again! Give your Daddy a huge bear hug from me, I know you are together. I always wanted to make you feel better when you were hurting, and I can't fix this. I will miss you so very very much, Mommy will take care of Riz and Thomas.

I really wish I could make this better, Rest in peace my beautiful niece <3

A hui ho, aloha nui loa!

Love your Aunt Cathie
