

## Ms. Sharon Fuller

January 19, 1968 - February 3, 2025

With heavy hearts, we celebrate the life of Sharon Fuller, who gained her heavenly wings on February 3, 2025. Born on January 19, 1968, to Frank Fuller Jr. and Bernice Fuller, Sharon grew up and went to school in Massachusetts and later earned an associate degree in accounting from Fayetteville Technical Community College.

Sharon had a radiant spirit and a heart full of love. Her sharp sense of humor could brighten any room, and her selfless nature made her a source of strength and comfort to those around her. She fiercely loved her family, always putting their needs before her own.

She had a love for sci-fi and action movies, enjoyed music, and found joy in working out. Whether it was lending a helping hand or simply making someone smile, Sharon was always doing things for others. Her kindness and generosity touched the lives of many.

She leaves behind a lifetime of cherished memories with her sister, Yolanda Fuller, her beloved niece, Tamia Brantley, and a host of loving aunts, uncles, cousins, and dear friends.

Sharon was a true angel on earth, and though she is no longer with us, her love and laughter will live on in the hearts of all who knew her. She will be

deeply missed and forever remembered.
