“ Our lovely cousin, Sharon(Shellon)rest in peace. Our deepest condolence to your family(Selena, LuWana ,Chance, Darius and Barbara).

Sharon was an integral part of my life and my son Jantzen’s life. We will never forget her love for family, her beautiful smile, and spirit... We made incredible life memories on her moms porch, in Newtown, Breakfast after church at her home, attending RTC and Pembroke State together. Listening to music together Frankie Beverly and Maze/ The Boss....Diana Ross..so much Time. Remembering the things we did together puts a smile on my face and happiness in my heart.

As we grew older, even if we didn’t see each other or speak often, those memories always kept us in touch.

Sharon was a woman of grace, strength and courage and her legacy will never be forgotten.

Sharon, rest in peace in the arms of the angels. 🕊️

“ Sharon and I share so many beautiful memories! I can remember nearly every Friday night meeting at some one of our group house to play bid whist or doing snow storms cooking outside and playing cards. We ate many meals together doing our young days and later years I remember when the family moved to New York when we were in grammar school. I was so happy when they moved back here. I can almost remember that day at Aunt Rose and Uncoe Josh when Sharon got back and how we were so glad to see each other. . I remember staying at Uncle Josh's house when Our Aunt Rose passed away and sleeping on pallets. I can recall visiting at Mrs Lillie's house and talking or sneaking to try to be grown smoking cigarettes. . Oh and don't forget when Sharon would visit with me here and we would stay up most all night talking. Going further back when we were children playing in the back yard. And Later cookouts in the yard. There are so many memories that I will always cherished. Right now it's just so hard to believe that Sharon has transitioned to a new home but we will have more "good times" when we meet again. Oh what a "happy day" Love you so much Selina, Luwana, Darius, and Chance. I pray that God comforts you and that You can feel the love that I will always have for you
