“ *My girl 🥹. Even though our relationship wasn't as close as you and my sisters I always have had love for you and you for me since our nephew graced us with his presence. We just had a convo about the military and you said Kayla I'm going so I can make my life better for me and my kids. The love you showed my sister and your nephew was out of this world. Watch over us baby girl. I love you so much. I got G, Ki and Kam.*
