“ *I often look around Facebook, searching old friends and family. I haven't seen Shaun in some years, but we went to school together and had a pretty close friendship during and thereafter. Today as I scrolled and searched, I learned that my friend, Shaun, passed away. My heart dropped. Even though we haven't seen each other in years, this hit hard. You were a great friend and a great person. Just wanted to say I love ya bud. I hope that in another time, we meet again.*

*Much love,
Mario P*
