“ *Words can not express how deeply saddened I am about the loss of my friend. This hit really close to home. Shekila was my best and only friend in high school. She really understood me and I understood her. We double dated at our Senior Prom and went Project Graduation after we graduated high school. I can go on and on. However, I am praying for the family. At the same token, Shekila O. Dupree rest easy in Jesus .Untill we meet again.....*
