“ I met Shelia Stewart through our local church. Being a young adult, she always encouraged me to pursue God and the purpose He given me. She displayed such a zeal for Christ and life. Impossible was not a word in her vocabulary; as a young woman she always told me never to settle. I am thankful to have known such an amazing Woman of Valor. Although she is not physically present, her legacy lives in everyone she touched. To her family, church, and friends may God continue to give you Peace and Strength.

“ To: Miss Shelia (MY "AP")

*I feel a warmth around me like your presence  
is so near,  
And I close my eyes to visualize your face  
when you were here,  
I endure the times we spent together and they are locked inside my  
heart,  
For as long as I have those memories we will never be apart,  
Even though we cannot speak anymore my voice is always there,  
Because every night before I sleep I have you in my  
prayer.....Emanuel*
