“ I met him and his wife and son when they moved to Eufaula, I was the Lunchroom manager at the school his son attended. During this time the children paid for b'fast & lunch, he had such a big heart he made sure if any of the children account went into a negative account he took care of that. Him and his wife ALWAYS dress the part for any holiday that the children dress up for. He was just a very kind person to me.
