

Mrs. Stacyann Latoya Walters

February 13, 1988 - September 9, 2024

Our dearly beloved Stacyann Latoya Walters, 36, of Fayetteville North Carolina was born on February 13, 1988, to Charles Alexander Walters and Sadine Micheleann Brown Walters at Victoria Jubilee Hospital in Kingston, Jamaica. She quietly departed this life on Monday, September 9, 2024, at her residence in Fayetteville, North Carolina.

As a youth, Stacyann and her family relocated from Kingston, Jamaica to the Bronx, NY where she was raised. Later as a young adult and parent, she relocated her family to Fayetteville, NC where she met and married the love of her life.

Affectionately known as Stacy, she graduated high school from Penn Foster High School through Miller-Mott College.

Stacy then furthered her education at South University as she pursued a degree in nursing. Stacy was taking her final courses for degree completion at the time of her death. She was previously employed in various positions as a Certified Nursing Assistant and with her family's restaurant before becoming a homemaker and full-time mom while pursuing her education.

Stacy was the second oldest of four siblings. She was a loving and caring individual who was willing to help and be there for anyone in any way they needed. She had a heart of gold with an infectious personality that made her

easy to be around. Stacy was an excellent cook and loved preparing meals with and spending time with her family. She was a great big sister to her siblings and constantly mentored the siblings she acquired through marriage. She always gave them advice to prevent them from making mistakes that she may have previously made because she wanted better for everyone.

Stacy had the mindset to always use her life experiences to promote self-love in others although she did not enforce it for herself, she gave of herself selflessly to those she loved.

Her quiet demeanor and beautiful smile placed you at ease and her feisty spirit while protecting her loved ones often surprised many.

Stacy was preceded in death by her brother Kareem Walters who was her best friend. Stacy never recovered from his loss and their bond was unbreakable in life and death.

“ *Stacy was a beautiful person inside and out. She had a tremendous amount of love that she shared with me. She was truly my daughter and I could not have loved her more if I had birth her myself. She was my blessing from God. Her strength that she demonstrated through her many trials always amazed me and her desire to improve her life was infectious. My love for her is forever and it transcends her death. Rest easy my daughter. God said you have endured enough.*
