Davis family, may God give you all strength, comfort and peace during this difficult time.

I have known your father over fifty-five years. We lived in the neighborhood Newtown and attended the same schools. Stanley, was a good person and he had dreams and I believe Shirley was one of them. A perfect Union. Rest In Peace my Friend.

Love the video very much, I worked with Sgt. Davis for a very very long time at St. Brides. He was a very special person and a wonderful co-worker. Always happy; always up beat and smiling. Very hard worker. My condolences to his family and friends.

Sending my condolences prayers to the Davis family, over 10 years that I've known Sgt Davis as my supervisor at St Brides 1997-2007 I had much respect and love for him and Mrs Shirley he was a great man always down to earth fun to be around keep you laughing all the time while being in his presence with that great big Kool-Aid smile on his face. He will never be forgotten... I really enjoyed the video 🥰

*Both Stanley and Shirley made of us feel part of their family from day one. Over the years they were there for us when we needed them. Words can't express how we feel about them. Moving into Turnberry was a blessing because we got to meet them. Love yall so much. Love you Mr. Stamily. Now you are resting with the love of your life.
