“ *I first met Agjis when we were both working at waffle house, some years ago. I will remember her for her down to earth spirit, and for her laughter. She was always so funny and so chill, a pleasure to work with and be around! We love you forever Agjis, Tricci and Derrick!*

I agree with Tricci and Derrick. I just find out a day ago about the passing of Ns Sutton know to me as "Agni's". She worked for me at Edible Arrangements and she did have a down to earth spirit, laughter and was always willing to help others. When COVID came we lost touch so I did not get to see prior to her passing but she will be missed. RIP our friend we love you.

My condolences to the Sutton Family. Agjis will be missed. It saddened me to hear that she was gone but It would be selfish of me to want her here suffering. She with her maker now and we will meet again one day soon. Rest in Peace my friend.
