“ Mrs. Denton had a way of making everyone feel welcome. She was great at remembering names and was always the first to say hello. Her kind spirit and smiling face will live on in so many of the lives that she touched. Thoughts, prayers, and shared tears for the family. With Love, Jessica Spain.

“ *The Board and Staff of I-CARE, Inc. are deeply saddened by the passing of Ms. Tammie Denton. Mere words are insufficient to express what she meant to our agency and the children and families she touched during the 15 years of working with us. She was a dedicated member of our team and, through her committed work as a Lead Teacher in our Head Start program, carried out the agency mission everyday to help children and families achieve self-sufficiency.*

Always pleasant, Ms. Denton took her passion for children seriously as shown through her preparation for each school day. Ms. Denton would do whatever you asked her to do without complaint. She will most certainly be missed!

Our most sincere thoughts, prayers, and condolences are extended to her family, friends, and colleagues, as well as to the children and families she served. Our sadness is only comforted by our understanding and belief that "earth knows no sorrow that Heaven cannot heal."

Prayerfully shared,

*Bryan Duncan
