“ My God, my God...i have been trying to find the words to bring comfort to a family that is dear to my heart...i don't know that there are such words. T-Bird was an important person in my life (he's probably rolling his eyes about me still calling him T-Bird) LOL Terry just didn't work for me...forgive me if I am rambling but i am trying to find my words...Bird was an important person in my life and how fortunate it was to find out he was a part of a family that i held dear. I just wanted to express my condolences and my heart is truly broken at your lose...he was special...he was who he was and you could take it or leave it. I chose to take it...he was my FRIEND!!!! I value that word cause it means alot to me. I found a few quotes that were the closest to how i feel so i would like to share them

It is hard when you miss people, but you know if you miss them you were lucky. It means you had someone special in your life...someone worth missing!

I was LUCKY!

Some people make your laugh alittle louder, your smile alittle brighter, and your life alittle better

Bird...your laugh was infectious...you came into my life when it mattered the most and I thank you...i love you...

'Birdman Forever'

*ALWAYS,
Maria Evans aka Big Bird*
