“ Tim was a wonderful, sweet and considerate man. We loved him dearly. We met him many years ago . My husband and I ran an automotive service in Spring Lake first then in Fayetteville and Tim brought his cars to us to repair when needed. He immediately became like family to us. We were just talking about him Friday afternoon when we were eating at Grandsons in Hope Mills. It was there he and Mrs. Leggett were eating the last time we saw him. He is going to be missed so much. May God Bless his family and friends.
