“ Tonita is my Mother. She was more than just my mommy she was  
my best friend! She was an amazing woman. I have so many  
memories with her but the best one for me was our conversations in  
her room with my big sister Shannon. We talked about everything  
together and loved to just laugh and joke around. She was our  
everything and more. And she will forever be in my heart until we  
meet again💙
