“ *Bishop love was an awesome and loving man of God. And will truly be missed. Every Sunday after church he will get the kids and sneak them in his office to give them some candy. No matter how many times u would say no sir they don't need none today he will say just a little piece n who could say no to him with a smile such as his. Then when I get home Zyra would have like 4-5 lollipops in her pocketbook lol. I would say Lord Bishop Love know he would sweetened n hype them kids up n send them home to their parents. I am trying to hold on to all the good memories we shared. It hurt so bad to know that he is gone but make me feel a little better that he don't have to suffer anymore. First Lady Love continue to keep your hand in God's hand n let him carry u through. Love u and praying with you n the family for strength.*
