Prayer to a loving soul Trang Thi Nguyen:

Praying to a loving Mother and Grandmother, You will be missed so ever greatly.

You are and will always be a loving mother and grandmother to everyone. You always looked out for those who helped our family, always made sure you kept a

watchful eye over us so we always knew we were in safe hands.

You cared for us, nurtured us, and made sure we were always happy. We hope that

your journey into the afterlife is remarkable as you watch over us and still guide us

to all the happy things in life.

We will always cherish you, love you unconditionally, and miss you extremely as

you live on through our hearts and memories.

Grandma if you can hear or see this, we all love you so much and miss you so greatly.

May you Rest In Paradise and watch over us, we all love you Grandma (Trang Thi

Nguyen).
