“ Thinking of you and missing those Late night talks

Shameeka Sherman - June 23, 2017 at 03:04 AM

“ I was on vacation with my friend who is a truck driver. As we were dropping off goods at JFK, I noticed This car.I walked into the dock as they were rolling your love one in. I am from Sanford,N.C.I lived on the murk until the lot was sold. I learned that this was a young guy Minding his business,and the worse happen. I felt your saddness. I have A 20 year old grandson.I place my hands on the box, and told him how Sorry I was.I didn't know my Grandma who lived in MT. Vernon, (decease) I was Shocked. I Am So Sorry For Your Loss, I hope You For Ever Keep The Memories In Your Heart.May The Days Gone By, Give You More Strength to Get Through.

“ I can remember many days when Tim n Pearl needed a babysitter I was the one that kept Buda n Stavon..I remembet them both as two beautiful well behaved babies. As time went on they went down south n I lost touch with them...But I know their aunt took very good care of them. They were where they were suppose to be at the time....I would think they grew up with the normal activities of of a youngmsn growing up...They made their own choices...In my opinion Buda's death was totally unnessary n unprovoke...May he R.I.P. n the ones who took his life pay with theirs..I Love you Buda n will never forget you...May the angels up above look down on your sin Jayden n guide him in the right directions. 🙏🙏
