“ *My heart is heavy with the passing of my coworker - my friend. I miss seeing Tremaine - laughing and talking to him. We hung out after work with other coworkers. I miss his smile. He was such a loving person and there is a void in our department at PLP. RIP my friend.*

“ *" You can't judge a book by its cover." How true it is... Me and Tremaine were so different, but ended up best friends. We enjoyed laughing at our past experiences. We talked about everything from work, life, people, family, etc... I am really glad we met. I am going to miss you lil bro. Love you... Your friend and big brother: JC Sambira*

“ Sometimes in life when we lose a loved one we try to pretend as though anything have happened and the loss is not true. That is exactly what have taken place with the PLP work family in Albemarle since we received word last week of Tremaine going home to be with the Lord. I recall when Tremaine joined our family straight out of high school and mastered a skill set that showed he was definitely reared in the right direction as a young man and prepared for life. The imprint he have left on our hears shall be cherished for a lifetime. I will definitely miss hearing him talk about things he enjoyed such as cars; fishing; music; and being a connoisseur of good food. Our thoughts and prayers are extended to the family during this difficult time. Our loss is heaven's gain. Rest in Peace !

“ *Tremaine was the sweetest young man and the most respectful young man I've ever met. He always had a smile on his face when I would see him at work. Please know that Tremaine will always hold a special place in my heart. Sending prayers for healing and comfort for all friends and family. RIP my friend.*
