“ *Laura I remembered when Treva was born and I shared motherhood with you during the early years of his life. When I received the news of his demise my heart skipped a beat. I couldn't believe it was my little Treva even though he was a grown man. Please accept my heartfelt sympathy and just know that I am praying with you and the family and for you. Please call me when you need someone to talk to I am available day and night. Love you sweetie!!!!!!! Tray "AKA" Petronia Jones McBride*

“ *I remember Treva as a little boy when Allison use to watch him. Went his crayons and paper coloring and those big beautiful eyes white as snow.*

You have your wings now fly like the angel you are
