"The Potter's House" by Tramaine Hawkins

*In case you have fallen by the wayside of life
Dreams and visions shattered, you're all broken inside
You don't have to stay in the shape that you're in
The potter wants to put you back together again
Oh, the potter wants to put you back together again
In case your situation has turned upside down
And all that you've accomplished, is now on the ground
You don't have to stay in the shape that you're in
The potter wants to put you back together again
Oh, the potter wants to put you back together again
You who are broken, stop by the potter's house
You who need mending, stop by the potter's house
Give Him the fragments of your broken life
My friend, the potter wants to put you back together again
Oh, the potter wants to put you back together again
You who are broken, stop by (wont't you stop on by?) the potter's
house (stop on by the potter's house)
You who need mending (if your heart needs mending, come on by)
stop by the potter's house (the potter's house)
Give Him the fragments of your broken life
My friend, the potter wants to put you back together again (how many
of you believe that?)
Oh, the potter wants to put you back together again (one more time,
come on)
You who are broken, stop by (stop on by) the potter's house (the
potter's house)
You who need mending, stop by the potter's house (if your broken
heart needs mending, stop on by Jesus' house)
Give Him the fragments of your broken life
My friend, the potter wants to put you back together again
Oh, the potter wants to put you back together again
Joy in the potter's house (he'll give you joy, yes he will) joy in the
potter's house
love in the potter's house
love in the potter's house
there is salvation in the potter's house
There is healing in the potter's house
You'll find everything you need in the potter's house
You'll find everything you need in the potter's house
You'll find everything you need in the potter's house
You'll find everything you need in the potter's house
Because the potter wants to put you back together again
Oh, the potter wants to put you back together again.*
