“ I’m deeply sadden to learn the passing of my cousin, Tyran was the first baby that me and sister ever held, he was such a loving and outgoing child. I remembered we would go over to see him as a toddler and he would be wearing his favorite little cowboy boots and showing us his little pop gun. He is and will always be remembered as young man who always embodied enormous positivity , energy and Love. Della you and your family are in our prayers and know that he grew up to become a Great Man because of a strong and determined Mother such as yourself.

I am heartbroken to hear about sweet Tyran. What a beautiful kid!!
Thank you so much for allowing me to be a part of his life as his
nurse, even for a short time. Always putting others before himself,
he surely changed my life and I am better because of it. I am proud
to have known and become his friend. I look forward to the day
when we meet again. I think we will share a strawberry milkshake.
God bless you all!*

“ Dear Della,

I was deeply saddened to hear about the loss of Tyran. He was an amazing and talented young man who came into my life and blessed it in more ways than one. He was incredibly high-spirited in spite of his condition and worked hard each day to achieve his goals and dreams. I will never forget his tenacity and determination to complete his education.

I am grateful that I was able to be a part of his life, if even for a short time. Thank you for allowing me the opportunity to work and mentor him, even though I know in my heart, that he mentored me more than he or you will ever know.

He will continue to be a shining hope from heaven, caring for you and your family from above.

May God Bless you in this time of loss and sadness. My thoughts and prayers are with you and your family.

In friendship and sorrow,
