“ One of my favorite memories of us is when you took me on my first (and last) joyride 😂 I was always in my books and, as you called me, a Goody Two Shoes. But eeeeevery now and again you could get me out my shell. And every time we had FUN! But you never let me odee, you always looked out for me. Another favorite memory of mine is posted below. You stayed talking about my baby being bald lol, ya clown. We love you forever, Tyrell. And I am looking forward to the day that I get to see you and hear your voice again, brother.
