“ *God is good!! I had to start the post off like that to help me to stop denying that you are gone. You was more than a teller to me at the bank you became a friend. I can remember EVERY-TIME I came into the bank you had a big & beautiful smile. You never let anything or anybody upset you. I remember how you always spoke of the love you had for your Mom and all your nieces & nephew {Family}. I so enjoyed our conversations. I haven't really seen you since COVID but you remained in my thoughts. I will surely miss your presence and smile...God surely gained another Angel - One Love Always*

“ Valencia was my friend and teller. She always had a smile regardless how she felt. She was my medicine when I came to see her to help me be positive. She left a mark in my heart and I can only imagine how the family feels of their angel leaving so soon. I helped support her and her family for her go fund me. I do hope it helps. Deepest condolences.
