“ Remembering Ms. Velma with fond memories though I had not seen her in decades. She was actually the first person I met when I was a teen who made homemade egg rolls from scratch and they were memorably delicious. I also remember how excited she was when she saw me on a local Fayetteville talk show. I think she is the only one who saw the show who knew me - made my day. Ms. Velma I am grateful to have known you and thankful for the fond memories. I sent flowers 🌸 in memory of you. Blessings and prayers for your children, grandchildren and great grandchildren!
