“ *Ms. Vickie will be truly missed by the Lumberton Football Mom squad and the players she was a 2nd mom to. Not only did she look out for her own child, she did her best to pay attention and look out for others in need. She had a passion for helping the children. She provided many players a ride to and from practice, provided some in need with food, and encouraged their parents to get involved. She even picked up moms who did not have a vehicle and brought them with her when she volunteered. We are so very thankful for the time we knew Ms. Vickie!*
