“ *Daddy Walt,
You have treated me like your own and helped raise me since I was an infant.
You have been a great friend to my dad. And have always been willing to brighten
our days. I love you and will miss you. I know you'll be close watching over us.*

“ *To My East Coast Family Members with Much Love:*

Even though we grieve the lose of some one so dear to all who knew him, Our Heavenly Father knows all things and continues to care and love each and every one of us through this painful time. Our hope does NOT rely on my uncle's departure. But rather that those who are in Christ Jesus will see my Uncle again along with the rest of the saints who have gone on before us.

Romans 8:35-38 (ESV):

35 Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or danger, or sword? 36 As it is written,

*“For your sake we are being killed all the day long;
we are regarded as sheep to be slaughtered.”*

37 No, in all these things we are more than conquerors through him who loved us. 38 For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, 39 nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.”

In His Love:

“ Those of us who have been honored to call Walt our friend, can easily imagine that there's a new beat in heaven with his grand entry. Chaz is there dancin' up a storm to Walt's conga and Jesus is loving and laughing with every word of worship and reminding you of days when you have faith but not sight.

I remember you playing the drum on the back seat of a giant van on our way to St. Simon's Island on a trip that was full of percussion, mercy and grace.

Abba, as Fely, Mercy and Grace lean into you, thank You in advance for lighting up their lives with memories and hope as only You, The Comforter can. Grace, Mercy and Hope! We will miss you till we see you again, but then we'll be dancin' too!

“ This man right here... A treasure, a kingdom friend, and a beautiful heart!! There was never a time that I didn't see him smiling or shining! He was always a vessel of joy and love. He could see you across the room and make a specific point to come and hug you, even if he was in a conversation with others, he made a point to celebrate you. Walter Arnold you are certainly missed, but you are fondly and lovingly remembered! I will never forget your kindness and friendship! Thank you so much!
