American hero! I served with Walter in the 82ABN DIV. Papa smurf as he was called at times because he was truly like a loving father to all. Including the officers that sometimes were a little challenging. Walter was a humble, kind, but extremely professional Paratrooper that always exceed Army standards, all expectations and always took care of everyone. Our deepest condolences to the family and friends. Much respect and gratitude! RIP brother. Salute! ABN ATW! 🇺🇸

“ I met SFC Faison on my first day in Delta company 782nd. He was my platoon sergeant and an Airborne son of a gun. I'll never forget the day he told me that if I didn't get my stuff together, he would have me out of the Army by February, my birthday month. The next day my hair was faded bald and my uniform was starched. That man changed my life and years later I would retire as a 1SG. May God keep his family in this time of lost. Thank you 1SG for being the leader who changed my life forever. I'll never forget you.
1SG Stephen Fultz, Retired Airborne forever.

“ There are no words to share the love we possessed for Walt aka JuneBug. He took us in as family when we first moved to Fayetteville in the 80's and truly treated us as such. He had a special connection to anyone whose path he crossed. Walt fought a long and hard fight and is now resting with the Lord. Well done thy good and faithful servant. You will be missed.
