“ I'd like to offer my heartfelt sincere condolences to the family. I'm praying for your peace during this time of bereavement. I only met Walter once and briefly and didn't know him very well but the impression he left on me was lasting. He had a great sense of humor and he seemed fun to be around. I know you will all miss him but he's at home with the Lord now so knowing this we can also have peace. God bless you all.
