Lovingly yours Cousin to the family of my Cousin Wanda. It has been too long since Wanda and my last conversation, but no love lost from our ancestor's teachings to specify: "that's your cousin!" Wanda's transition intensifies the urgency in the emergency for us to not put off contacting and being in touch with one another. Love you always family as we share in the transitioning of our Wanda. We tell GOD thank you for sharing Wanda with us and for consoling each of us at this appointed time. JESUS LOVES US! Love you, Cousin Nancy
