“ Hello Washington Family.
You don't know me but I'm a neighbor living in Fayetteville, my name is Payton Walker. Having heard of your most recent loss, I felt like leaving a brief text. I too, know from experience, the pain of loosing love ones, and that at times like these it can be comforting, just knowing that others are thinking about us. Something that has helped me to cope with such loses is the Wonderful Promise of Christ Jesus, recorded at John chapter 5 verses 28, 29. I hope that when you are feeling a little better, you will look up these comforting Scriptures in your copy of The Bible. Also, I hope that this note finds you feeling as good as can be expected Today.
With Deepest Sympathy, your neighbor :P.D.Walker.

“ I am very sorry that death has robbed your family of someone you loved. In the Bible there are many scriptures that provide comfort. Our heavenly father knows your distress. Jehovah our GOD is referred to as the “The Father of tender mercies and the GOD of all comfort .” Please read 2 Cor 1:3-4, Psalms 34:18 and Isaiah 65:2 for words of comfort.

“ *Tonishia and Family, please accept our condolences from the Rosol family. Willia was like a sister to me and my best friend, even though she was North Carolina and I in Connecticut. She will ALWAYS be in my heart. We knew each other since our early 20's and shared good and bad times. Willia was a WILD girl, full of so much love and fun, yet when necessary she could get nasty. She could not wait to have a child and was so happy when she found out she was pregnant. Tonishia and her grandchildren were the light of her light. I am sure she passed on much wisdom to all. While we will all miss her very much, God has a way of healing and we have to remember the great times we had with her. Love ya, Karen*
