The Obituary

John 14:25-28 "All this I have spoken while still with you. But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you. Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be

troubled and do not be afraid. You heard me say, 'I am going away and I am coming back to you.' If you loved me, you would be glad that I am going to the Father, for the Father is greater than I.

William "Bill" Aney was born in Hazleton, PA to his parents Joan and William Sr. William Sr. was active military and moved the family to CA in 1958 where they were able to settle down. Growing up, Bill was an avid reader and loved the ocean: two activities that Bill enjoyed in his adult life. While in school, Bill was very active in extra-curriculars such as cross country, baseball, football and the flute in the band. In 1963, Bill graduated from San Gabriel High School at the age of 16 and continued his education at the University of California Santa Barbara where he majored in English and Mathematics. While in college, Bill was a member of Phi Kappa Psi fraternity.

After college, Bill moved to North Carolina to help with the Civil Rights movement in Fayetteville, NC where he would organize

marches in community events. Bill was also an informant for the Black Panther Party by going to Ku Klux Klan meetings to know their next move to protect the community.
