“ I love papa bill I am just worried about him died at Paul's valley hospital

Hannah Cummings - June 28, 2013 at 05:05 PM

RB

“ To the family of our beloved Brother William I know your hearts are hurting today. However, we know the life that is lived through Jesus Christ will rise again. We hope that you will find peace through the memories of our beloved brother. We will miss him, but I thank God for the leadership that he provided for me during my process of the candidacy program. I am the pastor today because of his teaching and leadership.

Your in Christ,
Rev. Bethea
