“ *Bill, Harold, Steve, Brenda, and Family, Those we love remain with us for love itself lives on, and cherished memories never fade because a love one's gone. Those we love can never be more than a thought apart. For as long as there is a memory, they'll live on in our hearts.*

*Love,

“ *I was just visiting him on May 16, I always made him smile and he did me as well. I told him to call me when he left the hospital, I called him for 3 days, to find out today that he passed.....my heart is heavy, he was like an uncle to me....I will always remember that smile. My condolences to the Lee family. I will keep you all in prayer. Its hard losing a loved one and I loved him very much.*
