“ *If you knew my dad then you will remember this cap that he loved , I know he finally made it "HOME" as he recited the Lord Prayer and gave his life to Christ by Clergy 6 hours before his passing. I want people to know that my mom taught us to forget and forgive, love our father inspite of things . He tried over the years to make a peaceful offering for forgiveness which he obtained by many but, more importantly by God . I cared and he knew it !*

“ *Blessed are they that mourn: for they shall be comforted. To the Patterson family from the Williams family we send our sincere condolence to the family. Your father was Leo's buddy. When you saw one you saw the other. They had a friendship that will be forever instilled in our hearts and mind. We pray that God will continue to keep this family and grant you peace. From Reggie, Gail, Rhonda and Charlene's family.*
