“ Willie was my friend and house-mate at UVA. He was funny, gentle, kind and loyal. I loved hangin' with Willie. He loved his dog, Jupiter, whom he named after the Florida town where Willie got him. I think that Nellie was lucky to have been adopted by him. I am so sorry for your loss.

“ Willie was a great cousin to me. I have many wonderful memories of him. One in particular is when he came to Madison, Wisconsin, back in the day, when my two boys were 12 and 10 (Alex and Ian are now 21 and 19). He was very fun with them and spent so much quality time. He of course was gracious, fun and intellectual with myself, Bob and Phyllis. I'm so happy he got to come to the centennial at the farm in Missouri in 2013. We had a spectacular time. I remember what nice talks we had. That was the last time I saw him. I'll miss him a lot. Ellen Kauffman Borst

“ We are so sorry for your loss. Will was a kind man, a good neighbor, and a talented woodworker. He had been working so hard on the house in Florida and was so proud of what he had accomplished. I will miss talking with him, seeing the photos of his progress on the house, and playing with Nellie.
