“ *My deepest sympathy to you in the loss of your beloved Anthony. A beautiful spirit and would always greet you with a smile. My heart is saddened knowing how much he will be missed. I loved to hear him play his guitar, I would start looking around when I heard the chords and fill-ins because I knew a musician was in the house.*

Words can not adequately express the empathy that we feel for you and your loved ones during this time of bereavement. We pray that you continue to find comfort in God's Holy word and remember that Jesus will never leave nor forsake you. We pray that the Holy Spirit brings you continual comfort today and in the days to come. (Is 26:3-4) Ant was a great friend and brother that will forever be missed!

Dear Anthony and family, I read your request for prayer through Black Board. I'm taking this moment to share in your grief during your time of sorrow, and I pray the peace and comfort of the Father for you and your family. In the coming days as you reflect on the memories of your loved one, may the tears and memories represent the sorrow of his absence-and the joy of knowing you will see him again someday. Thank God for the gift of heaven, through His Son Jesus Christ!

*Be encouraged,

It hurt me to hear of the passing of Amp as we called him growing up on San-Lee Drive. Amp was like a brother to me and he will forever be missed. I will be praying for your family that God be with you and bring comfort to you during this time. I will miss you bro.
