“ I had the pleasure of having Earleane as my godmother, and can I say my parents picked the most WONDERFUL happiest woman on this Earth, she ALWAYS had a smile on her face, and could light up any room and the scream and yell she would let out every time she saw me. She would hold me soooo tight!! She will definitely be missed. To Mary and Frank and the rest of the family, I am so sorry for your loss, I know she will leave a BIG void in your hearts, but just know she will ALWAYS be right there with you both every step of the way!!! I just want to thank you both for sharing your mom with me. A beautiful life gone way to soon! Love you both and I am there with you all in spirit. With Love From: LaTonya Adams

“ *Mary and family. I'm deeply saddened by the loss of your mother Willie. Willie was a very special and loving lady. I will forever treasure her smile and love towards me and my family. One of my favorite memories was when she would go in the backyard and dance at our parties, her joy and love was contagious. She loved her Comadre Rosy(Pedro's mom and dad) even if my parents could not speak English she knew she was deeply loved by my family. We all will miss her so very much but will forever treasure the memories. Rest in peace Mrs. Willie. Much love, Azalea and Family and her Comadre Rosy and Pedro Lucio.*

I've known Earleane many years. She was a friend and a sister that I never had. She was a GOD MOTHER to my daughter. Earleane always had a smile on her face. She would watch over me keep me safe and give me good advice . We will always keep her memories close to our hearts. We loved her but GOD loved her best! May she RIP 🙏.
