“ Zaire I love you so much. EVERYDAY I think about you. I still feel your presence in the halls at OHS. I remember when I first met you in the bathroom. You had a GOOFY personality that everybody loved. I still remember us in the auditorium watching movies on your kindle and sneaking outside, and when we were talking junk about people. It doesn't even feel like your gone..Just know we haven't forgotten about you baby <3

“ Hey Babyyy,
Just want to say I love and miss you so much. It's so weird not seeing your face or hearing your voice everyday. I miss people saying we look and sound alike. Words will never explain the hole that now fills my heart. Love you!!!!

“ Dear Family of Zaire Smith,

I am deeply sorry for your loss of such a beautiful young lady. I know you have heavy hearts as you try to carry on your daily activities, but rest assured that our heavenly father Jehovah understands your pain and knows exactly how these kinds of things affect your life. He tells you to "throw your burden" upon him and "he himself will sustain you." (Ps. 55:22). He also wants you to know that "while you throw all your anxiety upon him because he cares for you." (1 Peter 5:7). Please be assured that you are not standing alone and there is hope for your dear loved one.

“ I can't believe that it was you when i heard the announcement made by the principal. It hurts me deeply to know that you are gone. You were like a big sister to me. It feels funny now that your gone when walking around the school and not seeing you. Your smile was so pretty. You made sure that everybody you talked to was OK and listen to them when they had problems. I will never forget the time i met you was at the fair during my freshman year which was your sophomore year with Rodesha .) = May you Rest in Peace Ziare You will always be in my heart and to the family i will keep you in my thoughts and prayers.
