“ ZION, oh how Mema remember so many spiritual interactions with you. How you would sing and praise GOD in my prayer closet(War Room). The videos and pictures of you praising GOD, I will hold dear to my heart as well as your love and the memory of you. We love and miss you so much. We know you are sleeping in peace until heaven gates open. We will one day have the biggest celebration ever.....

“ I feel blessed and honored to have met young Zion in March of this year. We were both at a family get-together in Charlotte. I was impressed with his smile and the way he interacted with others. He played with cousins he had just met as though he had known them for years! He was most definitely a sweet and friendly boy whose smile lit up the entire room! God, please bless Prince Zion in Heaven and comfort his family here on earth. Please ease the pain and hurt they feel over his loss, and please help their sweet memories of him provide continuing peace ... Peace that passes all understanding that you alone can give, oh Lord.

“ Young Zion was not personally known by me but his maternal Grandmother is a Dear Friend. Little Zion was a treasure I know! The memories shared of him was an illustration of what he was assigned to do and that was to be the Brightness in the life and hearts of those who he encountered. His earthly departure reassigned this young King a place with Our Lord and Savior. Rest in Paradise. My prayers for comfort for the entire family and friends shall always fall on the listening ears of Our Father.

“ *To the family of Prince Zion,
My heart truly ache for you in the passing of Prince. May you find
comfort in knowing the Comforter, Holy Spirit, is still in the
comforting business.*
